TIME FOR AN ADVENTURE- FoRR RUGBY FOUNDATIONS TOUR

Friends of Rwandan Rugby is a UK charity working in Rwanda to develop rugby with children. We need rugby coaches / rugby enthusiasts to join our annual Rugby Foundations tour.

Fundraise £1500 – covers flights, Kigali airport transfers, food, water, uniform, coaching equipment, accommodation and transport.

Teach tag rugby to VERY enthusiastic primary school children in a rural area (who've probably never seen a rugby ball before)

Prepare a boys' and girls' team for the end of tour tournament.

Develop the skills of secondary school rugby players and local clubs. Spend two days in Kigali visiting a school and the genocide memorial museum.

Make new friends, have a fantastic experience and visit an amazing country!
